Re: Preferred partners to pursue Amalgamation discussions

Dear Members,

Mounties and Wyong RSL Club Ltd have been corresponding regarding a potential amalgamation following an advertisement seeking clubs' interest to amalgamate with Wyong RSL. Ten (10) responses were received initially, and 2 responses were withdrawn. The board of Wyong RSL has considered the remaining 8 expressions of interest and determined the preferred partner with which to pursue amalgamation discussions is Mounties (Mt Pritchard and District Community Club Ltd).

Those discussions will continue with a view to drafting an appropriate Memorandum of Understanding. Prior to signing the memorandum members will be provided with details of the other clubs expressing interest and why Mounties was chosen as the preferred party. Details of the other clubs will be disclosed in planned information meetings and will also be disclosed in the notice of meeting to vote on the amalgamation.

Kind Regards

Angela Sanders
